PROFESSIONAL SUMMARY

Web Developer with 2+ years of professional experience across WordPress, Shopify, custom web development, Figma-to-frontend implementation, responsive design, and website optimization. Hands-on with HTML, CSS, Elementor, Oxygen Builder, Shopify Liquid, theme customization, custom ClickBank order forms, website troubleshooting, and basic hosting management. Experienced in owning projects independently, implementing design requirements, and supporting junior team members. Currently deepening JavaScript and modern frontend skills to build interactive, responsive, and scalable web experiences.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (Fundamentals & DOM), Responsive Web Development, UI Implementation

WordPress: Setup & Configuration, Elementor, Oxygen Builder, Theme & Page Customization, Troubleshooting

Shopify: Theme Customization, Liquid, Theme File Editor, HTML/CSS Customization

Design & UI: Figma, Figma-to-HTML/CSS, Responsive Design, Cross-browser Testing

Optimization & Management: Website & Page Optimization, Usability Improvements, cPanel, FTP, File Management, Basic Server Management

Other: ClickBank Custom Order Forms, Custom Landing Pages, Frontend Troubleshooting

PROFESSIONAL EXPERIENCE

Web Designer / Web Developer

June 2024 – Present

Embien Creative

- Develop and customize responsive websites across WordPress, Shopify, and custom web projects.
- Convert Figma designs into responsive HTML/CSS while maintaining visual accuracy, usability, and responsive behavior.
- Build and customize WordPress websites using Elementor and Oxygen Builder.
- Customize Shopify themes, Liquid templates, and theme files to project requirements.
- Develop ClickBank order forms and conversion-focused landing pages, and implement custom functionality and client-specific layouts.
- Optimize websites and pages for responsiveness, usability, and performance.
- Troubleshoot frontend, CMS, theme, and layout issues; manage website files and hosting tasks via cPanel and FTP.
- Own multiple projects, coordinate design and development requirements, and guide junior team members in day-to-day tasks.

SELECTED PROJECTS

WordPress Website Development

WordPress · Elementor · Oxygen Builder · HTML · CSS

- Built responsive WordPress sites with custom layouts, page structures, and styling; customized themes and page-builder components.

Shopify Theme Customization

Shopify · Liquid · HTML · CSS

- Customized themes and edited Liquid templates to deliver custom layouts and frontend changes per business requirements.

Figma to Responsive Frontend

Figma · HTML · CSS

- Turned Figma designs into pixel-faithful responsive pages across desktop, tablet, and mobile, keeping typography, spacing, and components consistent.

Custom Web Forms & Landing Pages

HTML · CSS · JavaScript · ClickBank

- Created conversion-focused landing pages and custom order forms with basic JavaScript interactions and responsive layouts.

EDUCATION

B.Sc. Information Technology – Lyallpur Khalsa College 2020 – 2023

Senior Secondary – Jalandhar Public School 2019 – 2020

PROFESSIONAL DEVELOPMENT

Currently strengthening JavaScript and modern frontend skills: DOM Manipulation, Events, Array & Object Methods, ES6+, API Integration, Async/Await, Local Storage, Git & GitHub.
